

MEMBERSHIP APPLICATION

You might say we are a group of hardcore waterfowlers who have a passion for the sport

The Minnesota Duck & Goose Callers Association is founded for the purpose and promotion of improved conservation education.

It's primary goals are to provide for increased awareness by sportsmen and women of waterfowl calling techniques and practices. To this end, the association, through work shops, seminars and calling competitions will strive to produce

educational activities aimed at improving attitudes, ethics and skills of the Waterfowlers of Minnesota. It is hoped that through increased awareness and popularity of waterfowl calling, the sporting public will generate a greater respect for the enjoyment of the states natural resources.

OUR GOAL, CONSERVATION THROUGH CALLING

We meet the last Thursday of every month at Cabelas in Rogers, upstairs meeting rooms. Meetings begin at 7:00 PM. Bring your calls! We discuss current events, upcoming news, and have guest speakers.

We have an annual spring banquet in March which is known as one of the best! Proceeds go to Woodie Camp, Young Waterfowlers Program, waterfowl habitat, and supporting waterfowl organizations. We organize many calling contests a year for both youth and adults.

Membership includes, newsletters, email notifications, decal, and updates. Also the Waterfowl Calling A-Z DVD is available to members for \$10

Membership fee \$10.00

Send registration and fee to:
